Dear Mr. Broadway:

The Arkansas Department of Environmental Quality-Hazardous Waste Division (ADEQ) is granting access to Mr. Clay McDaniel to the Cedar Chemical site effective today. No other parties shall be admitted onsite unless accompanied by one of the ADEQ employees depicted on the latest photo identification sheet or Mr. Clay McDaniel. The one exception is for Gary Hill, who may access the site as necessary to perform wastewater duties. Please make sure this letter gets transmitted to the security office onsite at Cedar Chemical as soon as possible. An update photo identification sheet will be provided in the near future.

If you have any questions, please contact me at 501-682-0831 or benefield@adeq.state.ar.us.

Sincerely,
